TESTIMONIALS

"Hi Sirisha, thank you for your inspiring session today at SWE22!

You managed to address the weak spots during less than 45 minutes and to get across some very valuable food for thoughts"

Martina Prahl
Regional System Manager
Motorola Solutions

"Great actionable advice today in your Mentorship presentation today at SWE. The idea of a career SWOT and personal board of directors were excellent. Many thanks for sharing your experiences and advice"

Andrea Amaro
VP, Business Operations
Infor

"Thank you Dr. Sirisha Kuchimanchi. After attending your webinar. I'm focusing on stretching my role. I'm taking on a leadership role for a non-profit and I'm using the Swot template to work on my weakness and looking for ways to mitigate the threats"
